“ R posted a condolence So very sorry to hear about the passing of Frank. My son, Mike Bowyer, was on Frank's team for several years and I was Frank's assistant coach. We spent many hours on the practice field and at the field for games. Mike and I enjoyed those years very much with not only Frank but with the family at the pizza place after the games. Frank was very dedicated to the kids and was a very competitive coach. It was a pleasure to be able to work with Frank all those years at the N.W. Little League field. Again our sympathy go out to all the family in the loss of Frank.
