“ My dear friend Frank,

I want you to know that I think of you every day. I want you to know that I miss you, and I would give anything to talk to you one last time. Looking back now, I wish I would have spent more time with you, shared more stories with you, and made more memories. We just spoke about Owen in college and the jokes we used to repeat to each other.

So, I Thank you for being one of the most influential people I've ever met, for accepting and loving everyone, and for being someone that impacted the lives of so many. You will never be forgotten.

“ Frankie, I have not stopped crying over your loss, I had so much more to say but not enough time, I prayed to God that he take good care of you and for him to watch over Jen, Michael, Alaina and Layla in their time of need, I'm sure you have gained your wings because you were an Angel and I know you are no longer in pain but in peace, now go on spread your wings and soar you are home, I Love You 💙
