“ *Dear Phyllis and family,*

*We just learned of Franks passing and we are deeply saddened for  
your loss.  
Our memories of Frank are happy ones, remembering the many fun  
times that  
we shared. He was always ready to go to whatever event that was  
happening  
or play whatever new card game we came up with. And yes he did it  
with his  
well known smile. Many happy memories that will not be forgotten.  
Our hearts ache for you and your family and we send you our love  
and prayers.*

*Our sincere sympathy.....Carl and Donna Wardell*

“ Uncle Frank was one of the kindest, soft spoken people I've ever known. He had a contagious laugh that will never be forgotten. We visited on our last Florida trip and took them to dinner. It was a wonderful day and of course he wouldn't let us buy. Uncle Frank had a very dry sense of humor and was always the same, I can't remember him ever being in a bad mood. Uncle Frank and Auntie Phil and the whole Berry family have always been very special to us. We are all carrying heavy hearts but knowing he's in Heaven helps us all. All our Love thoughts and prayers for everyone who was lucky enough to know such a fine Man!

“ Uncle Frank's laugh will always stay with me, such a kind, sweet man! On one of our trips to FLA Brad was just about 2 y/o and he sat him on his lap in the car and drove slow around the campground letting Brad think he was driving, both of them grinning ear to ear! 😂. Thinking of you all! Love Cris and Sara
