

Frideborg Phillips

December 6, 1940 - March 7, 2024

Frideborg Phillips was a caring wife, mother, grandmother, great grandmother, sister, Tante, and friend. She left this world suddenly on March 7th, 2024, at age 83. Frideborg is survived by her daughter, Sieglinde Simon; son, Kirk Simon; granddaughters, Shelbi Frame and Brookelynn Simon; grandson, Zachary Pugh; great-granddaughter, Kora Pugh; sister, Ingeborg Michaels; and brothers, Wigand Theimer and Wilfred Theimer. Frideborg is preceded in death by her loving husband Harold Phillips.

She was born to Frederick and Ingeborg Theimer on December 6, 1940, in Vienna, Austria. At the age of 13, Frideborg emigrated to the United States to begin the American Dream with her parents and younger siblings, settling in Pennsylvania. After college, she met her first husband, Gery Simon. In the 1980's, they moved to Florida to raise their family.

Frideborg was an artist; painting gave her freedom of expression. Inspired by nature, landscapes, and most recently portraits, she created beautiful paintings-selling many, but giving much more away because of her generous nature; her goal was to share her artwork.

Frideborg loved spending time with her family, creating Austrian meals and sweets. Besides painting and family, she was an active community member; most recently joining the Sanford Women's Club.

A Celebration of Life is scheduled for 1 pm on March 23, 2024, at the DeGusipe Funeral Home in Sanford, FL. In lieu of flowers, please donate to Southwest Indian Foundation on her behalf.

“ Words cant describe how we feel! I am lucky to have grown up with Sieg and Kirk, back in Miami in the 70's Frieda was like a second mom to me. From Snow cones to pizza and pool parties. Many years of good conversation, meals and family gatherings, are some of the best memories I have. Grace and support through the years, show the love she had for family and friends. I will miss her tremendously. (Catherine will miss the Christmas cookie tradition)! Our hearts are heavy, but full of love and support.

“*Frideborg was a fascinating person. She was my painting friend, but I know that her interests were wide and varied. She was always learning something new.*

Our paths crossed when we were both members of the Sanford Seminole Art Association. We became good friends, going on painting outings, participating in exhibits, and sharing our latest work. Over the years we met every month for what we called our “coffee klatch.” Our conversation always revolved around art and painting, but we learned about one another’s lives as well. She always spoke so fondly of her family. I send love and condolences to all.

Frideborg will be missed by so many.

“*Frideborg was a treasured member of the Lake Mary Senior Center and will be greatly missed by her many friends and fellow members. Frida joined the book club several years ago and was an avid reader and enthusiastic participant in many lively discussions. She was responsible for encouraging many of us to experience audible books for the first time! Frida also enthusiastically joined a new bridge group this year and became a regular member, as well as a regular member of the weekly artist gatherings. Many knew her from the weekly yoga classes that meet every Monday, Wednesday, and Friday. We all send our sincere condolences to her children and extended family during this sad time of loss.*
