“ *Bob Leichner - childhood neighbor posted a condolence I remember Gary and his family from Valencia Park in Largo in the early '60's. Although I haven't seen him or any of his brothers in nearly 50 years, I have fond remembrances of what a close, loving and vibrant family that they were. He will be missed by all who were lucky to know him. Saddened to read of his passing.*

We met Gary in the spring of '09 when he sold us our new AC unit for our condo. We felt so comfortable dealing with him, he was a gentlemen thru out the whole transaction & regret that other folks will not have the privilege of dealing with such a professional individual. “ *Laura Harrison - Through Business posted a condolence Our deepest prayers are with the Brame Family! Gary was a huge asset to Orange State A/C & Heating. With over 20 years of business with my family and then onto my Real Estate Business, we have always felt his kindness, compassion, understanding, knowledge and so much more great qualities were one of a kind. Stay strong and positive and know one day we will all meet again. Follow your dad's foot steps for the ground that he walked on will always be remembered!
