“ *I was thinking of my childhood friends I grew up with today and thought of Gary. When I googled his name I saw he had passed . I knew Gary when he lived with his family on Oakhurst ave and a few houses down from my childhood home on Halifax ave. Gary and I used to pal around together when we went to Glenridge Jr high school in Winter Park. I remember Gary loved to listen to Led Zeppelin, Hendrix and most Rock stars of the time. I often wondered about him and what he did in his life. So sorry to know Gary passed . My condolences to the Dethlefsen family. Jeff Maness*
