“ To Rose and Janet and daughters to Gary my deepest sympathy. Gary and I were childhood friends as his family lived next door to my family while we were kids. I was about a year older than Gary. I lost contact with him since he left Mendota but last saw him when his mother Virginia died. We had a lot of fun together. As an Army veteran I salute Gary as a fellow veteran who served our country dutifully and may he have eternal rest and peace.

“ Our condolences to Rose, Janet and the girls. Gary and Bill spent a lot of time together years ago - some good and some "not so good." The memories of the fun times shared will never be taken away. He was always so knowledgeable and spoke with fondness of his family near and far. We didn't see him so often in the later years but remember many visits with him in FI. First place we always stopped on Florida vacations was Altamont Springs!
Rest in peace dear friend.

“ While I haven't seen Gary in about 10 years, I fondly remember many conversations I had with him and Geri at the Sundance. Gary was a walking encyclopedia of sports figures and stats. May his soul rest in peace.
