

Gary C Frymyer

June 23, 1937 - June 1, 2016

Ocoee, FL--Gary C. Frymyer (POP). 78, died Wednesday, June 1, 2016 at his son's residence surrounded by family after a long illness.

He leaves behind his sons: Rick, Jan, and Troy; daughters--Kimberly Fryer and Lisa Frymyer; Grandchildren: Christopher, Erik and Amy Richardson, Amanda Frymyer, Charles Cooper, Gabrielle Hurst-Serrano, and Jeremiah Hurst, along with 7 great grandchildren. He also left behind many close friends.

Pop served in the Pennsylvania National Guard in his early years. Throughout his 78 years, his life was full of adventures...from silver and gold mining, ranching in Texas, long haul truck driver, and much more. Pop made friends all over the United States and he would give the shirt off his back to anyone that needed it. He was so giving.

Due to Pop's simple nature and his request, there will be no funeral service but a private scattering of his ashes on his best friend's (Donnie Adams) Texas ranch which will be held in the late summer.

Pop, we miss you but we all know that you are at peace now. You will always be our "TOP SHELF".

“Dad (pop), I am truly heartbroken that you left us so soon. Noah and I were truly blessed that we were able to spend some quality time with you in your last days. But we know that you are in a better place and not suffering anymore. You are with momma and at Peace. Now Noah and I have 2 guardian angels. The wings of you and momma will forever protect us and keep us safe. Noah and I will truly miss you and we love you dearly. I going to miss hearing you say "see ya". No worries Pop Noah and I will be ok. We love you Pop, your daughter Lisa and great grandson Noah
