“ *A great neighbor and as good a friend as anyone could ever want. Over the years, we had many conversations as part of “The Garage Boys”. Over this time, he never complained about his battle with cancer. He always had a positive attitude and was an inspiration to anyone that was around him. He always was so proud of his family and often spoke of how thankful he was to have had a great life. I will miss you my friend. Rest and someday we will share a beer again!*

“ *It was a joy to have such a wonderful “Maryland” neighbor as Gary so close by.
We always enjoyed talking to Gary about Maryland. We will sincerely miss our conversations and discussions about Crabs, Ocean City and the Orioles. We couldn't have asked for nicer neighbor!!!
