“ *Eugenia Loveman & Family - Niece posted a condolence My Uncle will truly be missed but never forgotten! He was a Great man full of love and passion. He never let his disability affect his way of life or happiness. I was his lil pickle..that's what he called me since I was a baby.. He gave me away on my wedding day which meant the world to me. I will miss that amazing smile he always had on his face. I wish so much in the world that I could of said good-bye or just seen him one last time to tell him that I loved him so much! I cannot make the services this is too hard for me. Aunt Tina you are in my thoughts and prayers you were the love of his life and I'm glad he had you. You made his life worth living.. I wish you all the strength in the world to get through this. With all my love.. Eugenia, Chris & Children.*
