“ I really wanted to go to Tom’s service tomorrow but I will be in my CPA office with my crew finishing off this crazy tax season.

I have such great memories of him like jumping in his sports car after running from the Pi Kapp house with my flip flops in hand and Tom dropping me off at Elizabeth Hall to barely make my 8 AM Western Civilization class. I was so lucky that Tom took me in as his roommate in the Pi Kapp house when I was a freshman as there was not enough room in the dorms for me.

Also, of Tom and Kenny teaching and making me an exceptional foosball player. I actually have a Garlando table in my home.

Also, of going out and enjoying both Dave Shaw and Ken Harrell with Tom playing their great sounding Blue Grass music.

I am so sorry I lost contact with Tom after he graduated from Stetson.

So sorry for your loss,

Bird Dog (the name given to me by both Tom and Ken Harrell as a freshman)
