“ Many happy memories spent with George and all his brothers, my cousins, at their house. Aunt Dolores's house was always fun! George was the baby and was so adorable and sweet, and grew up to be adorable and sweet. I'm so happy he spent time with his mom in Florida. I'm even happier we reconnected after so many lost years. I love you George. Sorry we didn't see more of each other!!

“ Also, post some of your favorite memories of my dad. I'm sure there are tons of stories to tell!

*My dad showed me how to be outgoing and accepting of everyone. When I was younger, we spent a lot of time together fishing and camping, riding his Harley and enjoying the company of family and friends. His love of the outdoors has been passed on to me and my own children with some of our best memories camping up in Idyllwild, CA.*

*I know confidently that my dad has a nice space in heaven along with his brother, Danny, mom and dad.*

*I love and respect you very much dad.*
