“ *Just a few words to pass on my (and my family's) deepest sympathy to Uncle George's entire family children, grandchildren and great grandchildren. What a full and glorious life he lived on this earth! I'll always remember him as the loving uncle, family patriarch and patriot he was. I only regret that the distance between us kept me from spending more time with this giant of a man and his loving wife Marion who I'm sure has welcomed him with open arms into God's kingdom. I'll never forget his gift to me and my brother (Mike) as a child.... an outdated checkwriting machine that we used as a spaceship control panel, boat steering mechanism, weapon of mass destruction and anything else we could imagine over the years. It was a gift beyond description for us and a constant reminder of Uncle George's kindness. We love you all, and will continue to cherish our memories of your dad.*

“ I am George Aldrich and I live around the corner on Finley Ave from Mr Littiken. I knew George, Mr Littiken to me, when I was child when he was building houses on Floral Way and Greenacre Rd. He always left soda bottles on the site and had his workers do the same so I could collect them and make some extra change. Just a few years ago I stopped by his house and said hello. He bragged about his family and was proud of you all. I remember him as being a good man and am thankful I got to know him. I am sorry for your loss.
