“ To the family of my Cousin George...George was the son of my father's sister Anna. He was the oldest living member of the Mudrich family.

I found a picture of a young military man...in the sewing machine drawer of our grandmother...Mary Mudrich...but there was no one left to tell me who he was...but after 30 years of searching I finally found him.

GOD allowed us to have wonderful, shared conversations about his mother's family. When speaking with him, it was as if I was talking to all the Aunts and Uncles I was not privileged to know since they all passed very early in age...including his mother...Anna.

But in talking together about their lives...we became close and had a very loving relationship...and I will miss not being able to call him any longer...but will always...always treasure talking with him and knowing him.

I will pray for all of you as you lay him to his final rest...knowing that he was loved by many...and I was one of those who truly loved him!
