“ I was George's Executive Secretary years ago when he was Vice President of Manufacturing at Qwip Systems in Altamonte Springs, Florida, before he worked for Stromberg Carlson. George was one of the best bosses I ever had. He loved golf and would tell us some amazing stories of when he even golfed in the snow in New York. He had the best stories and was always a kind and caring person when it came to his employees. He had so many wonderful friends. People were just drawn to him for the charisma and great disposition he had. I spoke with him a few years ago when I found out he was helping out at his son's medical practice some. It was so great to talk with him then. I wish I had known of his passing so I could have attended his service. Sending late condolences to his family. I know he is truly missed.

“ George was a real treat to play golf with when I was a member of the Heathrow Seniors. As a new member to the group he helped a lot by just being George. I will miss him, RIP my friend.....Joe Dundee and wife Gerri

“ Hi George -

We wanted to pass along our sincerest condolences. Your Dad was a great man and we enjoyed the time we got to spend with him as all the kids were growing up during their SMM days. We will keep both you and your Mom and entire family in our prayers.
