

George Gerald Tomecek

February 16, 1932 - November 28, 2023

George Gerald Tomecek, a devoted Catholic, was born February 16, 1932, in Detroit, Michigan. He was the eldest son of George Rudolph and Eleanor Cecilia Tomecek. George was a very outgoing fellow who cherished a good sense of humor. He was an avid Pinochle player who likely knew how the hand would play out before anyone else at the table. He worked for the material department at General Motors before joining the United States Navy at 20 years old. He spent three years aboard the USS Cronin before being honorably discharged with a National Defense Service Medal.

Afterwards, George worked for the Frank Coker Company selling equipment before meeting Constance Rose Gotinsky, the love of his life, at age 29. Connie was a secretary for George's father at General Motors. Within 4 months, George proposed and they were married 13 months later. George and Connie lived in Southfield, Michigan and spent free time up north at their cottage on Baetcke Lake. George spent his early years flying planes and tinkering with automobiles. Three years into marriage, they moved to Hollywood, Florida to buy and run a motel called The Florida Apartments. Other adventures followed before moving in 1977 to Orlando where he built residential homes and eventually pursued real estate. George was a passionate golfer in his later years who also enjoyed watching football and golf tournaments.

George is survived by his wife Constance with whom he was married for 61 years and his two sons George Jeffrey (wife Brandi Leigh) and Brad Alan (wife Angela Christa). George very much loved his three grandsons George Braxton, Tyler James and Austin Charles.

“ *My dear friends,*

I am so very sorry to hear about Papa T. I am blessed to have known him. He was a lovely, kind and loving husband, father and grandfather. I remember Suoerbowls with him and he was always smiling and loving life. My heart aches for all of you and, please, give a hug to Mrs. T for me. She is a special lady. Jeff and Brad, the men you are and the families you have are an amazing legacy for your Dad. I wish you all peace. Sincerely.

“ *My sincerest condolences for you all at this time. You have my deepest sympathy. Wishing you peace, comfort, courage, and lots of love at this time of sorrow. My heart goes out to you all at this difficult time.*

High Flight by John Gillespie Magee

*Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds, – and done a hundred things
You have not dreamed of – wheeled and soared and swung
High in the sunlit silence. Hov'ring there,
I've chased the shouting wind along, and flung
My eager craft through footless halls of air...*

*Up, up the long, delirious burning blue
I've topped the wind-swept heights with easy grace
Where never lark, or ever eagle flew –
And, while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God.*

“ *I remember George always having a smile on his face or a funny remark. He never showed anger about anything or at anyone. Great man”.*
