“ *Georgene, Janet, Chuck & families,
It saddens me to hear of the passing of Uncle George. I have many fond and happy memories of him when I was growing up. Mostly the memories I have are sitting with my dad (Mike Vrabel) listening to him telling so many stories of Uncle George, Some funny, some sad but all loving and memorable. The passing of Uncle George is truly a loss of a great generation. I am sure your many loving memories will carry you through.
Our prayers are with you,
Mike and Tina Vrabel*

“ *My deepest condolences to you Georgene, Janet, Chuck and your families. Your Dad was a wonderful man and always very special to me! He is the last of a great generation of our parents who passed on a great legacy to all of us. I have so many happy memories of spending time with he and your Mom. They go as far back as all of you coming to 358 West Ludlow when we were children. Will be thinking of you specially on Monday! 💕💕 Your cousin, Donna*

“ I met this precious family over 2 years ago. I would visit Dorothy and George and just “hang out” with them. A precious couple dedicated to one another. 😊
When Dorothy passed away I continued to “hang out” with George to make him laugh, smile, eat, drink coffee with me and watch anything he wanted on tv especially Gunsmoke. He would always tell me “it’s gonna be ok, the animals don’t die and Matt Dillon always does what’s right” . He always tried to help me understand football till one day he said “never mind Karla, u can do whatever u want to while I watch football” 😭
He was a funny guy that I enjoyed “hanging” with. My husband visited a few time and the visits were special for both men! He will be greatly missed. Howard and Karla
