“ I would like to take a moment to say thank you to Crossroads Baptist Church...We had a wonderful celebration for my Mom yesterday. She was truly blessed to be a member of that Church with it's wonderful members. It was uplifting to hear all the wonderful things being said about her. It just makes me realize how truly blessed we all were to have her in our lives.

“ *My Sweet Cousin, we were like Sisters growing up, wading in the Branch behind Grandpas old Barn, looking at a old Sears book and dreaming of all the pretty things we didn't have. But My Sweet Cousin where you are now you can have everything you ever dreamed of, my memories will never go away..I love you..*

“ *My Dearest Grams,*

I still can't believe this is real. I never expected you to leave us so early. I'm trying to stay strong but I wasn't ready to say goodbye...

Even though I'm hurting, your faith in God, gives me peace. I know your safe, in the gates of Heaven with all the others who you loved that have passed before you.

I've tried to explain what's happened to Haylee but she just doesn't understand. I will keep your memory alive and I'll keep reminding her of how much you loved and adored her. She's already made some pictures for you, so I can send them to 'Nana Heaven'. She knows that Nana will be forever in her heart. I know you will always be her Guardian Angel, "Nana's little Angel".

You were an amazing woman, mother, grandmother, great-grandmother, sister, aunt, and friend. You have touched the lives of so many. We all love and miss you so much already.

Rest easy, Grams... you're almost home.

I love you.

“ Although I never got to meet you I know we will meet one day in heaven. You were so sweet to me and I enjoyed the times we spoke via facebook. I wish I could be there tomorrow, but I will be there in spirit. I love you cousin, go rest high on that mountain!

“ Ever since I can remember, you've always been there for me. I always knew I could count on you for a talk, a good morning, or a good night message. You were always a comfort and a genuine person who really knew how to love. I can only imagine the celebration you are having in Heaven, reuniting with all of your loved ones. I will miss you terribly until the day when I can hear your sweet laugh again. I hope you're one of the first people I see when it's my time. I love you, always.
