“ *Patrick Bartlett - Son posted a condolence I just wanted to say thanks to all of you who loved my Dad for your support. He was truly a special guy and meant the world to me. He was much more than just my father, he was my best friend. Although I feel like there is a hole right through middle of my heart right now, as do so many of us, I'm so thankful that his suffering is over. Dad is undoubtedly fixing, or at least trying to fix, something in heaven as we speak. I will honor my father by raising my 3 "Bartlett Boys" to uphold our family name in a way that would make him proud. God Bless You All.*

“ *Cathy Hickory - niece posted a condolence Mark and I send our condolences. We will both miss Jerry and cherish all the times we spent with him and Lorry while in Vermont. Jerry was easy to be around. He had a great attitude towards life and an endless smile. He could find humor even in adversity and would dig in and methodically troubleshoot an issue and continue until the problem was solved. The Vermont Bartletts thank-you all for being there for him and giving him such wonderful care and comfort. Our thoughts and prayers are with all the family.*

“ *Becca P. - None posted a condolence I just wanted to send my condolences to the family. I know how hard it is to lose a loved one, I lost my cousin daniel torres whose name is right under this one and I can tell you it hurts but God Is Good no matter what happens Proverbs 3:5 states, "Trust in the Lord with all your heart and lean not on your own understanding." So pray to God to give you all the strength to get through this and trust Him and know that His will is perfect and HE is Holy. God Bless You All and again I am deeply deeply sorry for your loss.*
