“ *Every time I saw Dad it was good .He was always there for me if I
needed him and of course I always needed him . He was always
patient kind and respectful . Sometimes people can't be right there
all the time but I had his number where ever he was . I loved him
very much . He had a kind heart . he may not have been perfect.
There is no one on earth that is. But like I said he was always there
when I needed him . I will miss him very much*
