“ He was a wonderful grandpa, well liked by my friends and teachers from elementary school. The story he loved to share how I spilled dry cereal in the car during fall asleep when he picked me up from elementary school. I miss him terribly. He's in a better place. Love you, Grandpa, very much.

“ My dad was an awesome dad and I am going to miss him terribly. I know he is in Heaven and no longer in pain, and that gives me comfort. I will see him again one day.
