

Gerald (Gerry)Patrick Williams

June 4, 1958 - February 4, 2016

Gerald Patrick Williams was born on June 4th, 1958 in Cincinnati Ohio and passed from this world onto the next on February 4th, 2016 in Ocoee Florida at Health Central Hospital. In my entire life, I never met a kinder, more honorable man.

He leaves behind a loving son daughter and partner in Florida, A father step-mother and three half brothers in Kentucky, a sister and brother in law in Cincinnati and more.

Of all recreational activities in this world, he loved bass fishing the most and excelled at it. He was sponsored in many pro tournaments and earned a place among the elite in the national rankings. Some of his other hobbies include bowling, jogging, and Texas hold-em.

His music tastes ranged from classic rock to country but he enjoyed anything he considered "good music."

He also ran and owned his own pool design and construction business called "Central Florida Pools By Design" which is highly reviewed on google and highly praised by his clients. He was without a doubt, the hardest working man I had ever known.

It is my sincere hope, that I can be half the man he was.

In lieu of flowers it would be his wish for donations to be sent to the American Alzheimer's Association; Which is a disease (as many of you are aware) that his father is still fighting.

“ Dear family, and friends, I was so shocked in hearing this sad news. I am Gerry's Aunt Becky, I was there for his beginning, his mama and daddy brought him home to our house to visit his Grandma and Grandpa Stickle in Cincinnati and mama laid him on top of a sewing machine case, the kind that the top snaps off, and he fit up on there, and i was amazed on how tiny he was, and I wanted to play with him he looked like one of my dolls,I will cherish this memory forever. He was my mother and father's first grand child. Thanks for the memories Gerry, the walk with your pictures was wonderful,thank you for sharing who ever did such a wonderful display. God our Father in heaven has you now, with your mom and brother, all in his arms, held tight, now joined together once again. So long now little Gerry, until we all catch up with you, b/c you are just ahead of us, but we will catch up. may you rest in peace, free of all worry, you are in that big fishing boat in heaven, keeping an eye on your children, and all those you loved.....with great sympathy to all you left behind. all who loved you. God in heaven welcomes you home and Gerry kiss my sister, my dear nephew Johnny, and your grandparents for me. it is not good bye, just a temporary parting. I love you, Aunt Becky

“ Gerry has been my rock for so very long. He was the most kindest, caring, and giving man I have ever known. He was more concerned about making everyone else happy than he was of himself. I will never meet another man like him again. This is the most difficult time of my life and I will probably never get over his death. My love for him will never die.. I have been his partner for the past three years. A great man to everyone who has had the pleasure of knowing really what kind of person he was. I feel lost without him in my life however, I know he is in a better place with no worry and no more stress. Donna Lawrence

“ Dear Family of Gerry,
Gerry was a wonderful nephew. Though miles
stood between us it was
as though time never passed at the times
when we seen or talked with
one another. He will surely be missed.
I am sure he got his love for fishing from his Uncle John Stickle who
now
has passed on as well.

A good poem for Gerry is:
GONE FISHING
To all of those that
think of me,
Be happy as I go out to sea.
If others wonder
why I'm missin'
Just tell 'em I've
gone fishin'!

We know he is where the rainbow never fades...
life just changes, never ends.
...."but little by little, we begin to remember not just that he died, but
that he lived.
And that his life gave us memories too beautiful to forget.
We will see him again some day,
in a heavenly place where there is no parting.
A place where there are no words that mean good-bye."

"Tears are God's gift to us. Our holy water.
They heal us as they flow." Rita Schiano--

"A Butterfly Lights Beside Us
A butterfly lights beside us, like a sunbeam...
and for a brief moment it's glory

*and beauty belong to our world...
but then it flies on again, and although
we wish it could have stayed,
we are so thankful to have seen it at all."*
