“ I miss you Gianna. It's crazy to think that one day you were so happy about life and then the next you're gone. It is still hard to believe. It has been a year and 4 months since you have been gone and there is not a day that goes by when I don't think about you. Taylor and I miss and love you beautiful. I will cherish all the memories we have had together when we were in school. You may be gone but I promise you will never be forgotten. I love you beautiful. ~Jami~
