“ Gabor Szabo - Son in law posted a condolence I was a member of Gina’s wonderful family for about 10 years. She and John made me feel most welcome and loved every time Natalie and I visited in their home. Gina did not stop to be a mother after raising her kids but continued to give her motherly love to all of us till her last day. I love her for her kind words, her beautiful smile and for every single day when she made me feel like a son. I used to call her Ginatella not only because it made her happy but also because it sounded like a sweet lullaby. My dear Ginatella, Thank you for being a part of my life. Gabor

“ Tony Zumpano - Aunt posted a condolence I remember when I was a little boy Aunt Gina would make frittata with hot peppers and I would devour it which enraged my mother because she could never get me to eat eggs! Funny the things we remember. God bless my Aunt Gina.

“ Rosie - Friend posted a condolence Gina was a wonderful woman! I always enjoyed when she would come in the salon, always with a smile. Sometimes she even brought food, but Natalie wouldn't share... Only Kidding... Her and John were always a pleasure to be around, no matter where I would run into them they always had a kind word and good cheer. I'm thankful I had a chance to know her! I know she will be missed, my heart goes out to all her family.
