“ Our family is so sad to hear this. We were neighbors across the street during the 1980s through mid-1990s. Ms. Covelli was always very nice and caring. She even tutored me and Joe in the kitchen one summer (just one of many great memories). She was so kind and had a big heart, a true light. Our thoughts and prayers are with the family during this difficult time.

*“ A loving wife, mother, grandmother and friend has joined the angels. Her presence here will be missed greatly as we always want forever with our loved ones. I always knew that she was watching over my house. Pina was my friend for over 35 years. May beautiful memories help ease the ache in your heart and know that loving and healing prayers are and will continue to be sent to all her family.

“ Dr. Covelli, I just learned last week of Pina's illness. I can't tell you how saddened I am for you and the whole family. She was such a bright and happy person and always lite up the room when she was there. May God bless you and your family as you grieve.

“ Pina's love for her dogs was always so clear. She was such presence in all of our lives. When the kids were little, she would take Rambo for a walk and Chris always wanted to go too - I, on the other hand, was scared to death! Pina will be missed by all but never forgotten. You don't forget a generous soul that watched your family grow up. love always to the entire family - Jan & Dean Wallin
