“ Dear Gladys, I am saddened by your early departure. Unfortunately, with the distance we live in, we did not get to see each other as often as we'd liked, but the moments that we did get to spend together are priceless. We'll miss you a lot and You'll be forever in our hearts. RIP Gladys Love, Daleth, Ryan and Raissa.

“ To the Delgado Family,

Rob and I are so very sorry for your loss. Gladys will be missed in more ways than one. I have a memory that I want to share. She knew that Rob and I liked chicken and rice and almost every time she and Danny came to visit she would always bring me chicken and rice. I will REALLY miss that. Gladys just know that I will take care of Danny and love him like you would want me too. Rest in Peace our dear friend.
