“ *Tommy Forrest - Brother posted a condolence Dear Family, you have my deepest sympathy. Glen saved my life while swimming in Stones Lake as a young boy. A sinkhole pulled me under and he dove down and pulled me out. I have good memories of his 80th birthday. He was so happy with our time together. I love you very much. May God bless each of you. Love, Uncle Tommy*

Thank you for making his life so happy these last few years of his sickness. He told me many times how glad he was to live in warm Florida. Please come to see us. I love you all very much. “ *Dianne Forrest Nesemeier - niece posted a condolence We extend our deepest sympathy in the passing of Uncle Glenn. He was always a special uncle and I will remember all the trips to the dealership in my younger days when I always got a big hug and smile from Uncle Glenn. I didn't get the chance to see him much in the last few years. My dad, Roy, was so happy to get to see him the last time he was in Greenville for a visit. Glenn, Tommy, and Dallah visited him at the nursing home and Mom said that Dad had the biggest smile she had seen from him in months. Just wanted to let you know that we are thinking of you and the entire family at this time. Much love, Dianne*

“ *Andy Forrest - Nephew posted a condolence To Carol, Natalie, Hester and Louise: I will miss your Dad very much. He was always kind to me all my life. I am glad you posted his picture here as that smile is the way I will remember him. I think G was the first person to call me "Drew" and Dallah and Ann still call me that to this day. I always thought he had the greatest voice. Should have been a TV star. I'm sorry we dont see each other, but I miss you all and want you to know that I loved your Dad and will miss him very much. Love to all, Andy*
