“ So sad to hear our dear friend will no longer be coming up to the lake in the summer with his family. This is where me and Steve met the Terry family and count it such a joy to call them our friends. But we have peace knowing we will one day cross over Jordan to our heavenly home and find Glenn there at heavens gates waiting to welcome us home. Jesus gives us peace that passes all understanding when we lose loved ones who know Him because we're just saying "see you later". Glen loved all his family and I pray for God's loving arms to wrap around each of you during this time. Bev, you know how much I love you and Shan and if ever there is a time you need to talk, call me. I love you!!!!
