“ I'm crushed. Gloria was my sister who found me many years ago while looking to see whatever happened to her Father, Alfred Bellitti. We shared a summer, she introduced me to her beautiful children and to my Brother Alfred who was my heart ❤️. Then they both left I guess to Florida from what I just read. She was so beautiful and funny. Even cooked me some real authentic Puerto Rican food, lol. One of my favorite memories of her. If my Brother Alfred sees this please contact me. I miss you and Annie. Rest in Peace Sis. Life was so hard for u but rose like a Phoenix and never gave up. Love you Gloria, from ur Broken 💔 Hearted Brother John. Stay Blessed and safe my Nieces and Nephews as well as the rest of my Family.

“ Hearing about Gloria passing has brought great sadness. Prior to moving to Florida, we had the pleasure to work with Gloria here in NY. She was part of the Kramer Levin family for four years. On a personal note, she was not only a great employee, but a friend. Gloria brought her strength to the office every day, but she also brought a softer caring side when dealing with personal issues. She will be missed dearly. My condolences go out to her family.

“ *The Love of my Life!!!*

*My Gloria has been taken away from me and I will never speak to or see her again. I genuinely don't know how I will get through all this awful moment, but I will because that is what Gloria would have wanted me to do. She never gave up she was a Warrior in life and neither will I. Never my Love!!!*

*'Gloria has joined her mother and father in Heaven and they are having a long overdue hug and kiss. I have to believe that, or there is no point to this whole fight in our Flesh and Spirit.*

*Gloria was my soul mate, lover, best friend, partner and favourite person in the whole world. She used to tell me all the time that were lucky enough to meet and that I'm good for her.*

*Always and forever we will be a team, Holidays decorations, house improvements, gardening or any of your amazing crazy ideas, I love you my beautiful brown eyed girl, my woman, my momma, my nena. You've gone too soon and I will hold you in my heart until the day I lose my own fight in this planet.*

*'I will take care of our furbabies Shadow and Lola and make sure they know you love them so much every day by cuddling with them on our bed like you always did.*

*'We went through good and hard times during this seven years but I will remember you with our cherished moments together..... love you my girl ❤️💕💖💗 forever!!!!*

*Your Sunshine. Your Husband!!*

“ Gloria would come with Jesus to some of his art shows, and she was so beautiful and so sweet every time. Jesus sent photos to me bragging how gorgeous and festive Gloria made the house and yard EVERY SINGLE HOLIDAY!!! How she found the time to make every holiday look so perfect, i will never know. My love and prayers are with you.
