

Gloria Bonet-Carrero

October 1, 1937 - June 14, 2017

Gloria “Yoya” Bonet-Carrero, age 79, passed away on June 14, 2017, at Life Care Center in Altamonte Springs, FL. Gloria was born in Rincon, Puerto Rico on October 1, 1937 to Genaro and Bienvenida Bonet.

While living in Puerto Rico, Gloria was an active member of St. Rita Catholic Church in Bayamon serving as a cantor, reader and ministering to the sick. Her beautiful path through life never left behind any family, neighbor, or friend that needed a helping hand. She dedicated her life to raising her children with courage and determination, even after she lost her eyesight, giving us examples of a great warrior and servant. Don't want to forget about your beautiful smile, your abilities at playing domino, your Christmas “Pasteles”, and your stern but loving educational scolding.

Gloria is preceded in death by her husband, Ferdinand Rivera and her daughter Ivette. She is survived by her children and grandchildren, Brunilda Jerez (Roger M.) her sons Roger A. and Martin, Aracelia Kastle (Robert) her son Joshua, Ferdinand Rivera (Delia) his daughters Yanise and Yartiza, Joseph Albert and his children Josiemar, Lizamar, Omar, Adianette and Joseph, Olga Iris Adorno (Carlos) her daughters Tathiana and Thalia, Jeannette Gillespie (James) her children Stephanie, Brian and Kimberly, Denise Rivera (Jose Luis) and her children Luis and Joise, Piedad Maisonet and all her great grandchildren.

“ Mom,
There are no words to say right now! My heart is breaking and I don't understand how I can move forward. I love you so and I know that your suffering has ended, that is the only good thing from this. I can't say all I want to say to you but you gave me the best a daughter could have. I love you for taking care of me, for being there for me and for always making me feel so special!
I found this letter I wrote in November when you got really sick so let it talk for me now!

*My dearest mommy,
How I long to hear your sweet voice call my name, or just giving me the blessing you always gave me when we talked. Mommy what can I do for you. I feel so helpless and don't know if you are suffering or trying to tell me something. Once again I wait for more labs, X-ray and CT Scan to see if they can find why you are running a fever.*

Mommy I see you laying in this bed and you look so small, fragile and helpless. Mommy I wish I could take away your pain and suffering.

I remember all the laughter, talks, fights and love that we shared. We have had so many great moments and although I have six other siblings you always gravitated towards me. You lived with me these last years and my sons love you deeply. I was just talking to M and he said to tell you that he loves you. Remember how he would pinch your cheeks. When he would take your blind walking cane and hide it from you and how you always took their side when I scolded them. That's what grandmas do! Roger was always checking up on his grandma calling me to find out how you are doing!

I'm here by your side, it's 1:45am, but I won't leave until I get some answers. Mommy I love you and want what's best for you. I love you mommy. I miss you mommy.

*Hugs
Bruni*

“ My Sweet Tia/Abuela Gloria, I can't not think of a time I never saw you smile. You were always so sweet and funny! You took care of me after school as I did of you when you lost your sight. You were always there for mom, your other daughter and for that we are so grateful. You always called me "Didi" (my sister name) Hahaha, but I always responded back without minding. It has been years since I last saw you, but my memories of you are as clear as today. Rest in Peace Titi Gloria! Te quiero un mundo! A mis "tios/primos" mis abrazos desde la distancia. Un angel hemos ganado!

All my love,
Marie
