We spent many of the past 35 years together, enjoying life with many friends & acquaintances sharing wonderful memories. She, will at last, be with those she loved and who loved her. “ *Lu Ann Eckmier - Friend posted a condolence Gloria was such a special person, a real lady, we will always remember her as Father Gloria as she performed our wedding ceremony. We shared so many great times with her in Florida and in Canada. To Rick: she loved you more than life, you were her life, she was always so proud of you for the person you turned out to be, great guy, wonderful father and husband and successful business man. May your memories always put a smile on your face as mine will for me. Rest in Peace Glo!*
