“ Mark Jette posted a condolence Richard and Family,
My prayers are with you as you adjust to a life after saying goodbye to your wonderful and loving Mom. I never met Gloria, but I remember how when we were young you showed me kindness when I truly needed it.
That kindness comes from a Mothers love. May her love in Christ keep her in the light of the Lord. Prayers that her memories stay forever young and fresh in the hearts of those who loved her. Mark Jette

“ Mike & Emily Giordano posted a condolence *Our cousin Gloria always held a special place in our hearts. Throughout my life she was always the vibrant, bubbly, effervescing cousin who was sweet to the core. She had so many gifts to minister to others, she loved giving of her time, her hospitality, she loved to serve, it was so nurturing sprinkled with a caring sense of humor! Beyond all else she loved her family and they loved her back. She taught me by being such a wonderful role model of Christlike servitude with a twinkle in both eyes!*

“ Phyllis Lucas posted a condolence *Back a few years ago, when they were young women in their mid 80's, Gloria and Dot sat on the couch together and laughed and talked, and laughed some more. Both born in 1926. Both funny and strong and of a certain ilk that only women from that generation seem to have. Rest In Peace, Gloria. You did good work here on earth.*

“ *Rachel Battey posted a condolence Dear Sheralee, Marcia and Richard. (Steve too!). What a beautiful obituary I read for your sweet mom. I was blessed to know her. What a sweet spirit she had and maintained. I am grateful for her impact in my life, and her encouragement to me so many years ago, when she told me “whatever you do-keep walking with the Lord.” I loved that, and may God be praised for the work she did on behalf of His kingdom. Well done good and faithful servant Gloria! Love to all of you!*
