“ *Linda Stokes - friend posted a condolence While trying to find a phone number for Grace I found this. My Mother, Thelma Lockenvitz had been friends with Grace since the late 50's. When I was a kid we used to go to Roland et Pierre's with Dick and Grace for dinner on Christmas eve. So sorry we missed the Service.*

“ *Keith Paris - Nephew posted a condolence Although I hadn't seen Grace for many years, her painting in my house is one that I see every day and it will continue the memories of when we did see each other during my trips to Florida.*

“ Jennifer Roach - friend posted a condolence I was so sorry to hear of Grace's passing. She was my next door neighbor for many years in Pinellas Point and we became good friends. I have always loved the paintings I have of hers- now they are treasures. Our deepest sympathies to Rob and family.
