“ *Our family has been neighbors for 27 years and you couldn't ask for a more pleasant and friendly neighbor. Always a wave as we went by or a warm conversation as we walked our dog. One of our conversations revealed that we were neighbors in another neighborhood when I was a child. Small world. Grady is already missed. Our condolences to his family. God Bless. “ *This the most beloved uncle ever. Uncle Grady has 5 sons and my dad had 2 sons and 1 daughter. You can only imagine how he always made feel so special. I remember all the hot summer vacations we spent in a very small house without AC but a lot of love. Easter egg hunts in the woods, Christmas and Thanksgiving. He was a man of his word and well respected and loved dearly. He never forgot the people he grew up with in Ocala National Forest and so enjoyed his school reunions You will be missed by many.*

“ We always had so many good times on Thanksgiving with the family. Miji and Evelyn Reichard would work together in the kitchen cooking the turkey and dressing and Uncle Grady would just enjoy each and everyone of us. He was so kind hearted and just appreciated everyone.

God Bless the family.
