“ I’m sorry for the families loss, I just saw this and I’m sorry I missed obituary. Greg was a true friend when we were at Sam Moore Furniture. We shared many a meal and working on our cars. I’m glad I knew Greg and will miss him.

“ *Ruthie Waters - Friend posted a condolence Met Greg many years at Unifi Textiles in the Corporate office in Greensboro NC. This was in the early 80's. Greg was a true friend then Michelle came to Unifi- she actually was a roommate of mine and I was overjoyed for the 2 of them to find each other and eventually became husband wife. Although distance with them settling in Fl. All of us stayed in contact with each other. I shall miss Greg's smart wit. Michelle as always we shall keep in touch and get together the wonderful memories of Greg.*

“ *Kelly Brady - Friend posted a condolence I has been so hard at work without you here. The only thing that helped was knowing you were free of work to spend all of your time with your amazing Michelle to fish, travel and do what you both loved the most together. I am crushed that you didn't get much time for this. Rest easy my friend. You brought sunshine to all of us at Icare.*
