

## Gregory R. Powell

March 3, 2015

Gregory Roy Powell passed away unexpectedly on March 3, 2015 at the age of 55 in Denver, CO.

Greg is survived by mother, Phyllis Schell; father, Dale Powell; daughters, Christina (Eric) Lambert and Amber Powell; twin brother, Jeffrey Powell; sisters, Monica Smyth, Connie Powell and Dhyana (Jason) Lopez; nephews, Erik and Tyler Hume, Collin Lopez; nieces, Joy Powell and Emily Lopez; and many cousins. He is preceded in death by his father, James Schell and grandparents, Roy & Virginia Powell and Floyd & Ela Motley.

Known to many as The Amazing Greg Powell (or AGP, for short), Greg was born in Concord, NC on December 18, 1959. He was a 1977 graduate of Gibbs High School. An almost life-long resident of St. Petersburg, FL, he was currently living in Denver, CO working for The Honey Smoked Fish Company. He was very proud of his newest journey there in Denver, although often homesick for his beloved Florida and family and many friends.

Greg was a happy man that was always smiling and kept a positive outlook in the most trying of times. He loved The Florida Gators, golfing, fishing and doing anything outdoors. He was often bragging about being an athlete, as physical activity was such a big part of his life. He loved the water and used a lot of his free time at the beach. He was a good cook and enjoyed showing his love by sharing his kitchen creations, particularly with seafood. His presence will be deeply missed by his friends, large extended family and those who met him on his journey here on earth, as he made friends with all he met.

A memorial service to celebrate his life has been scheduled for Monday, March 9, 2015 at 2:00 p.m. at R. Lee Williams & Son Funeral Home. Flowers and condolences may be offered at 3530 - 49th Street North, St. Petersburg, FL 33710.

“ Valerie McKenzie - Ex Employee-Friend posted a condolence Greg WAS always smiling. He was reluctant to hire me at 20 years old (at Tax Max), as he thought I was too young. He was always concerned about the well-being of others (especially his kids). I'm shocked to hear of his death and will sincerely miss him. My condolences to his family!

“ Donna - school friend posted a condolence I meet Greg through Greg Dawson in jr high. We would talk on the phone all the time. Lost track of them both. They went to Gibbs and I went to St. Pete. Over the years when I came across someone with the name Powell I would inquire if they were related to Greg. Always wondered how life was for him. My condolences to the family and friends. Warm Regards, Donna May

“ Ilene Hodosky - Acquaintance posted a condolence I knew Greg through his brother Jeff when we were in Jr. High school. Greg was like all boys, silly, funny and nice. Although we did not keep in touch during the years after my prayers go out to his family. Light a candle for those we mourn. Into a new life they will be born. Do not look for them at the gravesite. They are somewhere else radiating their beautiful light. They have gone to a new world where there is no darkness, no pain. Their light and essence will always remain. Light a candle for those who have left this mortal place. They are free to travel through time and space. When we think of them, they are near. When we sit in a beautiful garden. Their voices we hear. When we listen to a divine symphony, We close our eyes, their faces we see. Light a candle for they have not really gone. With each flickering flame, in your hearts they will always belong.

“ Dawn Rogers - old friend posted a condolence I am so sorry for your loss. Greg will always be in my heart even though I lost track of him. I remember going to the old Buc games with him. He was such a sight all dress in orange from head to toe. He was so slim he looked like a big orange pop cycle.

“ *Michael Simpson - Friend posted a condolence My Life was filled with Greg's company and shared escapades. He was truly my confidant, and one my strongest allegiance here on Gods green earth. The Key to Greg was he always smiled and never met anyone He didn't like nor spoke disparaging of anyone. Truly he saw every circumstance as acceptable and the World his oyster. If you knew Greg you were drawn to his magnetic personality. To his Family you have my deepest condolences. You also have my gracious Thanks for accepting me as Greg did. I am grateful for that because it allowed me to come and go with ease with my best friend in your home. I will never have a friend like Greg again. He will be missed immensely. I Loved Greg like a brother and I Love you his Family. Let us never forget Greg's Zest for life and love of us. Take Care, Michael Simpson*

“ *Sandy Patten White - classmate posted a condolence I first remember Greg as my table partner in Science class in 8th grade. He was so incredible cute and I gave him advice on his crush at the time Penny Cihak. I just remember him being so sweet, kind and happy. I went to GHS with him but our paths did not cross much. I am sure his daughters have inherited his wonderful traits. My condolences to his family.*
