“ I just found out that Greg passed from an ex coworker. I am deeply saddened by the news. Greg and I used to work together back in the 80's. May he rest in peace. My deepest condolences to his dear wife, Karen. May she be comforted to know that she will see him again. Until then, my friend, sleep well.

“ My dearest cousin Greg, we will miss you being in this realm. Today is your celebration of life ceremony, and while circumstances would have it where I cannot be there to say my final farewell, I'll be there in spirit and watching the livestream. You were such an amazing older cousin, and we all love and cherish those precious memories we would make when you all would visit the family in Miami over the years gone by. You will always be remembered by us for your humble personality and kind soul. May you rest in eternal peace as you reunite with your beautiful parents, aunts, uncles, and most importantly, our wonderful God. 🕊️ Lots of love from your Aunt Daphne's line of the family. 🙏❤️
