“ Hey Papa, it's been 6 years, 6 years of grief, 6 years of dearly hurting, 6 years of me missing you more than ever, I really needed you today, I saw a video and it reminded me of you. I try to make myself think that I can live this life without you, but it's getting hard. One year before you passed.... You always told me you would be at my wedding, you would be there for every step, and I never understood, but now I know what you meant, you'll always live inside of me, you were my bestest friend, and I miss you so so much, what I would give to see you again, I love you so so much!!!! Until we meet again Angel....

Greg was so lucky to have Naomi and Keira and they were lucky to have him. They loved each other, and the truly bereaved are those who never love. from Joy Johnson
