“ On behalf of my family I would like to send my sympathy to your whole family. Greg was a childhood friend of mine and my brother's. Most of my childhood memories include Greg..I can see his boyish grin as a type. I am saddened by the news that he passed away. He was a very kind, funny and crazy person! I am so sorry for your loss... Sincerely, Donda Blair and the whole phillips family.##imported-begin##DONDA BLAIR(PHILLIPS)##imported-end##

“ My dear friend Anne,

*I was shocked to hear the news about Greg. My heart aches for you and your family. Sometimes there are just no answers or words of comfort that can make a difference when a person is suffering...this is one of those times. Know that I love you and am praying for your heart to heal from this pain that it is drowning in.*

*Love,*
