

Hannah H. Henthorn

November 3, 1997 - October 8, 2017

Hannah had a love of all things furry. She loved all animals and they loved her. One of her amazing abilities was to speak to them in their language. All of her friends sitting around the table sharing memories laugh as they recall her riding by many dogs and barking at them to say hi. Her dog, Dante, was her world! She took him everywhere. Along with her love for Dante, her love for grande iced coffee's from starbucks was just as big. She would bring Dante with her to starbucks and get him a big cup of whipped cream for him to enjoy too.

Family was everything to Hannah. She was not only a daddy's girl but a mommy's girl and most importantly and in her heart a God's girl. She loved all her siblings and spoke of them everyday. One of her favorite people was, of course, her nephew Colton. She was very proud to be an aunt...and she was a good one.

One of her favorite places to go was to Colombia to be with even more family. She always wanted her friends to join too. She treated her friends as if they were family. They all contributed to her world and her huge personality. We couldn't even begin to name the important friends in her life because there are so so many. Hannah was and is more loved than you could imagine.

She was a colombian beauty who spoke fluent spanish. One hilarious memory with Hannah was to go eat Mexican food. It was always a hoot when she ordered last and ordered in spanish! The looks on the waitors' face were priceless because they never saw it coming.

Hannah will forever live in our hearts. Her beautiful smile will shine forever and her sweet soft giggles will always be heard in our heads every day. Hannah is now in God's presence and on of his, as John would say, "Witteol Angeoooo's". Hannah is survived by her parents John and Margarita Henthorn, Sisters: Nichole McLemore, Dail Henthorn, and Erin Henthorn, Brother: Tyler Henthorn, and Nephew: Colton Miceli.

Tribute Wall

BR

“ Having moved away from Central Florida more than 17 years ago, Hannah was just a toddler last I saw her. But she was a light to her Daddy's eyes and it only took a look at her to bring a smile to his face. Choose to remember the wonderful things about Hannah, and she will always be in your heart.
