“ *Barbara Fox - Friend and Sister in Christ posted a condolence Harmon, Denise, and I made Via de Cristo Weekends #22. As we continued to serve God through VDC we began love relationships that lasted until his death. In December while Harmon was in Bay Front Hospital, my children and I visited with he, Denise, and Leslie. Even though Harmon was sick and experiencing his last days on earth, we had a great time of fellowship and prayer. Harmon was a great inspiration.*
