“ *Hilda & fr:The Gonzalez - Rivera family - Theresa's friend posted a condolence When tomorrow starts without me And I'm not there to see; If the sun should rise and find your eyes All filled with tears for me. I wish so much you wouldn't cry The way you did today; While thinking of the many things We didn't get to say. I know how much you love me.... As much as I love you And each time that you think of me I know you'll miss me too. But when tomorrow starts without me Please try to understand, That an angel, came and called my name And took me by the hand. She said my place was ready In heaven far above; And that I'd have to leave behind, All those i dearly love But as I turned to walk away, A tear fell from my eye; For all my life, I'd always thought I didn't want to die I had so much to live for, So much yet to do; It seemed almost impossible, That I was leaving you. I thought of all the yesterdays, The good ones and the bad ones; I thought of all the love we shared, And all the fun we had. If I could relieve yesterday just for a while, I'd say goodbye and kiss you And maybe even smile. But then I fully realized That this could never be; For emptiness & memories Would take the place of me. And when I walked through heaven's gates I felt so much at hime; When God looked down & smiled at me For his great golden throne. He said," This is eternity And all I've promised you; Today your life on earth is past, But here it all starts anew." "I promise no tomorrow, But today will always last; And since each days the same day, There's no longing for the past." "But you have been so faithful, So trusting & so true Tough at times you did things You knew you shouldn't do. But you have been forgiven And now at last your free, So won't you take my hand And share my life with me?" So when tomorrow starts without me Don't think we're far apart For everytime you think of me, I'M RIGHT HERE.....IN YOUR HEART Theresa your family & you are in our hearts during your time of sorrow. Sorry we couldn't be there for you. We send all our love. My the love of everyone help you through this.*

“ *Murphy - Mans' Best Friend posted a condolence Dear Fa, I will miss your visits. I will miss taking those long naps next to you while you lounged in your black chair. I will miss all your meals you shared with, me especialy the really good stuff you passed along when you thought no one was looking. I like that you did not mind when I slobbered on your pants. I am such a big doggy, but I tried to be as gentle with you as I possibly could. Please tell God that so he will know that I am good dog and will save me a spot next to your chair in heaven. Love, Murphy*
