“ *Elizabeth Joyce - great-great niece posted a condolence To the family of Harry: I am so very sorry for your loss. I did not have a chance to know him. I have been researching my family history and came across his obituary. Harry's sister, Florence, was my great grandma. Sadly, I did not have a chance to know her or my grandmother (her daughter), Marceline Augusta Jordan, either. Though I know my grandma's middle name was in honor of Harry's mother, Augusta. I hope you do not find this inappropriate, but I would love to hear about Harry's life and connect with any family willing to email me at Thank you and, again, I am sorry for your loss. Sincerely, Elizabeth Joyce*
