“ *Oh Harry :( I just heard and am saddened to my core. Your energy was larger than life and your laugh was positively contagious. You were true class my friend and you will be deeply missed by a great many whose lives you touched. We were all lucky bastards to have connected with you in this life. Hugs and tears and kisses and fist bumps buddy!! RIP. Sabrina*

“ *Harry always had a smile on his face, even when he was working on one of his vehicles or the tall hedges around his home. His artistic skill will be missed. His dinner for friends will be missed. He will be missed by all his "car buddies".*
