“ *My sincere sympathy to all family members. Helen and I were very dear friends from childhood, though our college years (Pitman's. London) and working for TLL (later Texaco) Our parents were friends through their younger years. I also knew "Sonny" (Alan) and family when I lived at Forest Reserve. Will always remember Helen for her being a gentle, kind and thoughtful friend. Will miss her dearly. May she Rest in Peace

“ *Auntie Helen, was a very important part of my life. The memories keep flooding in and all I feel is like being hugged and a feeling of being home. No words can or will ever express how important Auntie Helen was and will always be to me, along with all her children.*

Rest in Peace auntie, you are now with Jesus and uncle Sonny.

I think we are all in a state of disbelief- how can it really be true that we will not see that smile again, nor hear that laugh. she will forever be in our hearts.
