“ *Natecia - Great Granddaughter posted a condolence I will always miss you grandma. You were the strongest person I've ever known. You helped raise me growing up and I could never thank you enough for all you have taught me. I miss calling you and telling you all my dad's family gossip. You were always so funny and had such a spunky attitude. I'm glad you finally get to be with grandpa again, and can't wait till the day I get to see you both. I love you so much grandma. You were't only my great grandma but you were also like a second mom to me. Rest in peace. I will be waiting for your signs to know you are still around!*
