“ *What a privilege it was the day Helen came into our lives about 25 years ago. She was a wonderful and kind lady and full of fun and life. She made the best peanut brittle that no one can make as good as she could and the best pork chops, creamed peas and mashed potatoes we ever had. We have many wonderful memories of her and some great photos. We went to the opening of Universal and had a great time. I have a Maxine bag that holds plastic bags from the grocery stores under Maxine's dress that she gave me. The more bags the fuller the dress. I will always have it and use it and think of her. Our sympathy goes out to her children and family. We do share in your loss.*

“ To my cousins Billy, Lisa and Michelle, I want to first say how sorry I am for you on the loss of your precious Mother, and to all who knew her. Aunt Helen was and always will be like a Mother to me and she was for many years my confidant, best friend and just all around pal, I loved her as if she were my Mother and will miss her as much as you three will. She was so fun, loving, classy and all around a wonderful person. I know from all the talks her and I had she loved you three with all her body, soul and its being. It will take time, a long time for the hurt to pass, NO I have misspoke it will ease but never pass. As we remember when both our Mothers' would hear or talk of their own Mother the emotion they would show of her, and this was over forty years, so the pain will just ease never pass. I do understand this because I have so many holes in my heart it is a wonder it still beats. I love you all and know she will always be in your hearts even if a piece is missing. So until I see you again Aunt Helen, "See ya, love ya Auntie" I love and miss you so much.
