

Helen Mary Young

August 30, 1939 - December 19, 2011

The light of Helen Mary Young, age 72, extinguished December 19, 2011. Born in Jersey City and raised in Hillside, NJ, Helen married the love of her life, Michael W. Young and moved to Stuart, FL, where she spent every spare moment with her two nephews. Her love and inspiration was shared among friends with her move to Naples, FL and part-time home in Smithville, NJ. An active member in the Italian-American club and parishioner of St. William Catholic Church in Naples, she lovingly gave of her time to show her four step-grandchildren the best Florida had to offer. She settled in Orlando, FL in May of this year to be closer to her goddaughter.

Helen - you have affected more lives than you will ever know. Your generosity, virtue and love can never be calculated. There are no words that can accurately express the love and gratitude we feel for having had you in our lives. We are all better people for having known you.

You are deeply loved and will be missed by your husband, Michael Young; your step-daughter Andrea and her husband Bill Ullmann; your nephews Joe Balchunas, his wife Bree and their daughter Elizabeth (Helen's goddaughter) and John Balchunas and his wife Jennifer; and your step-grandchildren Kelly and Anne Marie Ullmann, Kathleen and her husband John Grazen, Christine, her husband David Bouchard and their children Noah and Hannah (Helen's

great-grandchildren). Your legacy and spark will live on in their lives.
