Tho I was not close friends with Henry I have been a guest for meals at his and Carole's home several times and friends with Carole and family for over 50 years. I know he loved Carole, football, and his pets. He was always friendly and polite when I was a guest in their home. He will certainly be missed but we are all glad he is no longer suffering and is reunited with former pups. Love and prayers to all of his extended family.

“ *Henry, you came into our lives 25 years ago. I always called you Ho-handle! You would laugh and just shake your head. You tolerated my antics and I tolerated yours. *grin* I know you loved us and enjoyed your family time, dinners out to eat (even when I would make you go) and your precious doggies. I hope you're playing some golf in Heaven with your buddies and drawing angels in your free time. It is sad for us to not have you here but knowing that you are no longer suffering brings us peace. Until we meet again. Lots of Love, T:)*
