“ *Donna & Ted Moskowitz - Neice & Nephew posted a condolence Aunt Grace and children: Uncle Henry was one of a kind and we all loved him very much. There was never a time that I talk to him on the phone that he didn't tell me he loved me. I will always appreciate everything that he did for my mom and dad while they were alive. He will be missed. But his memory will remain close to our heart. Love, Donna & Ted*
